

## **THREE DAY, LONG RANGE RIFLECRAFT PROGRAMME NOVEMBER 2019**

Thank you for your enquiry.

Please find below detailed information regarding the TAC TRAC Dedicated Marksman Course on offer at Rangers Reserve, which is a first in South Africa. TAC TRAC is located on the 1385 hectare Rangers Reserve in Touwsrivier in the Klein Karoo desert of the Western Cape. It is as beautiful as it is challenging.

The Long Range Riflecraft Course will cover the following:

- Range Estimation
- Target Detection
- Marksmanship
- Ballistics
- Reading Wind
- Using Applied Ballistic Programmes
- Breathing
- Precision Rifle Series Sport Shooting (Learning on the Site of Precision Rifle Series, Africa)
- Fundamentals of Firing Positions
- Known Unknown Range Engagement

### **COURSE LOCATION:**

Rangers Reserve, Touwsrivier, 6880, Western Cape.

\*GPS Co-ordinates: S 33° 17.789' E 19° 57.362

(\*Please be advised that the dirt road leading to Rangers Reserve has no cell phone network)

### **COMMENCEMENT DATE:**

As per enquiry

Arrival to Rangers Reserve will be the day before the course commences

### **COST:**

R25 000.00 including self catering accommodation.

A minimum 50% deposit is required to secure your position – see enrolment form. This programme has very limited numbers.

Included in the course fee:

- All training
- Accommodation in Farmhouse Located on Rangers Reserve
- Relevant Equipment
- Ammunition
- Certification

### **ESSENTIAL ITEMS YOU SHOULD PACK:**

- Neutral Coloured Clothing
- Boots (please ensure if you have really comfortable boots you can walk and stand in without fatigue, they are the ones to bring)
- Hat
- Sunglasses
- Sun Block
- Water Bottle

JOINING INSTRUCTIONS:

Enrolment form attached.

Details of meeting/collection points at Cape Town Airport (if collection is required) will be provided closer to the course start date.

We hope this information has been useful. Should you require further information, please contact us.

Yours Sincerely,  
Marcus Hargreaves  
Director of Training
